

### **REMARKS**

This responds to the Office Action mailed on August 22, 2006, and the references cited therewith. Reconsideration is respectfully requested.

The Publishing Division noted an inconsistency between the Drawings and the Brief Description of the Drawings. Figures 1C and 1D are not listed in the Brief Description of the Drawings in the Specification. The amendment to the Specification added the appropriate language and corresponds to the language on page 7, lines 8 – 10 of the specification.

Applicants submit that this inconsistency is corrected.
